### World

***"I praise you, for I am fearfully and wonderfully made - wonderful are your works"***

***Psalm 139: 14***

### Mission – Toybox

 **TOYBOX**  
Changing the world  
for street children

In 2014, Bolivia introduced a law that reduced the legal working age to 10. We prayed for it at the time, but this law is still in force and almost two years down the line, there are still not sufficient practices in place to protect all these working children. Under-funding and lack of resources from the government seem to be the main reason for this, so please pray for these challenges to be rectified so that children who do have to work are sufficiently protected against exploitation or abuse.
