World

Lord, help us to see your face in the faces of the people around us.
Give us courage to love one another even when love seems like a risk.
Give us compassion for those who are unlike us.
Teach us to listen to those we disagree with, to hear stories that make us uncomfortable. Heal the hatred in the world around us by healing our own hearts first. **Amen**

Pray that the project in Northern Uganda amongst the most marginalised women in the country get off to a good start in 2017. Pray that the FHUK team are given God's wisdom as we work on 2 new government grants in January for maternal health projects in Kenya and Uganda.
